

## SCHOOL OF THE NATIONS

GRADES 10 AND 11  
(FORMS 4 AND 5)

BUSINESS, HUMANITIES, AND  
SCIENCE STREAMS

### BOOK LIST 2025 – 2027

It is of the utmost importance that every student has a copy of each textbook on the Book List. The text should be brought to each class.

Students are expected to come prepared for every class. A separate exercise book is needed for each subject taken. A geometry set, calculator, and graph paper will be needed for Mathematics classes.

Compilations of exam papers by year and by topic can be purchased at the school.

Please note that textbooks (except the ones available at the school) are not stocked by booksellers in Guyana and should be ordered online or bought overseas. Some of the Literature texts might be available in Guyana.
